

**Mr. Shugui GUO**, the President of China Technology Exchange (CTEX),

Mr Guo is honored as a National IP Leading Talent in China (elected by SIPO, 2012), an expert in National IP Experts Bank in China, an Advanced Individual in National Patent Technology Exhibiting and Trading (by SIPO, 2010) and a winner of Chinese Technology Market Golden Bridge Awards.

Mr. Shugui GUO majored in finance at Minzu University of China. After graduation, he had served in Beijing Municipal Economic System Reform Office handling restructuring and IPO of enterprises, restructuring scientific research institutions, reforming technical enterprise's property rights system, and pilot work of stock ownership incentive reform. Prior to building and acting as the president of CTEX in 2009, Mr. Guo started his profession in market of equities in China Beijing Equity Exchange (CBEE) from 2003. He put forward the new thought of accelerating state-owned commercialization of scientific and technological achievements by open transaction, took the lead to publish the information of open transaction of scientific and technological achievements and conclusion of the transaction in CTEX, which laid the practical basis for the country revising "Law of the PRC on Promoting the Transformation of Scientific and Technological Achievements".
