Ms. Wang has extensive experience working with multinational and Chinese companies, providing legal advice on IP portfolio management, due diligence, licensing, litigation, and trade secret protection and enforcement. She has been involved in various cases before the U.S. International Trade Commission (ITC) and U.S. district courts. She has also represented foreign companies with IP enforcement in China, including judicial and customs enforcement actions.

Ms. Wang speaks frequently at conferences and seminars in China and internationally on patent-related topics. She taught a graduate course on U.S. IP law at Renmin University of China Law School and a graduate course on U.S. IP law, with patent mock trial, at Shanghai Jiao Tong University KoGuan Law School. Ms. Wang also served as a program professor of law at China Science and Technology University.
