

Patrick Terroir
Expert in innovation economy

Patrick Terroir graduated from Sciences Po, University of Paris II (doctorate in law) and the National School of High Administration. Mr. Terroir began his career at the Ministry for Social Security in 1976. He worked in the Treasury Department at the Ministry of Economy and Finance between 1981 and 1988, first as chief of the Bureau of International Financial Affairs, then as chief of the Bureau of State Participation in the oil, steel, chemicals and raw materials sectors. In 1988 Mr. Terroir was nominated as deputy director of the Office of the Minister of Employment.

In 1989 Mr. Terroir joined Caisse des Dépôts as head of the social housing financing department. In 1995 he was appointed commercial manager of Caisse des Dépôts's banking services branch. Between 2000 and 2003 Mr. Terroir was Regional Director for the Paris-Ile de France region. Between 2003 and 2006 he was chairman of the Val de Marne Paris Development Agency.

Between 2006 and 2008 he initiated and developed Caisse des Dépôts's department in charge of industrial innovative clusters and of the IP economy. In 2010 Mr. Terroir became **Managing Director of CDC Intellectual Property** (a full subsidiary of Caisse des Dépôts), whose mission is to engineer knowledge economy infrastructures and develop tools and methods for improving accessibility and security of patent market. He initiates and contributes to the creation of France Brevets and to the creation of the Tech Transfer Accelerators Companies (SATT) for the French universities.

Since February 2014, Patrick Terroir, become a lawyer and create its single member company, Innovation Legal, which is active in urbanism and intellectual property economy.

Patrick has been appointed as Chair of Patent and Technology Licensing Committee of Licensing Executive Society International in May 2015 and he is a member of 4IP Council advisory board.

Patrick Terroir is also a teacher in macroeconomics and intellectual property economics in Sciences Po Paris
